Questions About the Online Experience

Q: How do the online lectures work?

A: Edge Business School is a registered Google University. We use a google interface and platform to present all our online courses. Through this interface, online help is provided to make your studies work for your lifestyle. All lectures are recorded in our in-house studio.

Q: Can I write my tests and exams at Edge Business School if I am studying online?

A: If you are in the Johannesburg area and wish to write the ICB exam at Edge Business School, you must collect your portfolios from Edge Business School and write all tests and exams on our premises on the dates provided by us.

Q: Where do I write my exam if I am unable to write it at Edge Business School?

A: ICB have allocated exam venues around the country, visit www.icb.org.za to select the venue closest to you. You will need to register with the ICB directly and pay all registration and exam fees to the ICB directly.

Q: Where do I purchase my text books from?

A: All textbooks must be purchased by the student directly through the Edge Learning Media website. www.edgelearningmedia.com,

Q: What material does Edge use to lecture the programme?

A: The online courses will utilise the required study material from Edge Learning Media to help you understand the work, prepare for the tests and exam and complete your portfolio of evidence.

Q: What will I need to access the online platform?

A: Students will require a computer and data to access the online lectures.

Q: What does the online classroom provide?

- A: 1. The online classroom provides video lectures
2. The lecturer communicates with students including answering questions.
3. Interaction via the Google classroom with your classmates

Q: How long does it take for my results to be released?

A: Results are released 6 weeks after the exam has been written
