~ Level I Student

The lecturers' passion, dedication has beyond impressed me. Edge has inspired me to only strive for the best!

Thank you Russell for all the hard work, time and effort. I don't know what batteries you put in every morning but they must be super powerful! You are a really good lecturer and role model for all the candidates and we are lucky to have you as a lecturer. Looking forward to CFA Level II and LIII.

~ Level II Student

Edge have ample years of industry and tuition experience, and keep even the most boring and tedious topics relevant with practical examples. I would highly recommend their comprehensive and well-structured program to anyone registered for the CFA LI-III examinations in order to save time, energy, and keep stress levels under control.
