## How do you become a CAIA® charterholder from START to FINISH?

It is important to remember that exams are only held in English.

When you check in at the test center, the test administrator will ask you to present valid identification (ID). You are required to have two (2) valid forms of identification.

The first step is to register with CAIA via their website [www.caia.org](http://www.caia.org).

The following path illustrates one of the routes one can take to becoming an CAIA® charterholder. We have assumed that the candidate passes each level first time.

### What do I need to be eligible to register?

There does not appear to be any prerequisites from CAIA that are required prior to being accepted into the program.

### When do I need to register by?

It is important to remember that the later that you register, the more expensive it is. The following dates and fees are currently applicable:

			CAIA LI	CAIA LII
CAIA	Reg opens	Already open		
	Standard registration	Closing date	13 May 2020	13 May 2020
		Enrolment fee	\$400	\$4
		Registration fee	\$1,150	\$1,150
	Final registration	Total fee	\$1,550	\$1,150
		Closing date	5 Aug	5 Aug
		Enrolment fee	\$400	\$0
	Exam	Registration fee	\$1,250	\$1,250
		Total fee	\$1,650	\$1,250
		Exam date	31 August – 11 September	14 September – 25 September
Edge FIT	Face-to-face	2 June 2020 – 26 Aug 2020	R18,000	No FTF course
	Online	2 June 2020 – 26 Aug 2020	R13,000	R13,000
	RC and EC	16 Aug – 26 Aug	EC only – NO RC	No RC and EC

## How much does it cost?

This fee is payable in USD to CAIA upon registration. See the above table for fees. Again, keep in mind the later that you register, the more expensive it becomes.

## When is the exam held?

CAIA exams are written twice a year, a March and September exam window. The exam window (normally 12 days) is the period in which you are required to write your exam in. The earlier you register the more likely you are to get the date that you would like, within the exam window.

	CAIA LI	CAIA LII
Exam	September exam	September exam
Exam window	31 August to 11 September	14 September to 25 September

## How much time must be invested to study each CAIA® level?

The most common answer to this question is 200 hours. However, we at Edge are more inclined towards 225 hours per level.

## Do I get study materials from CAIA upon registration?

Candidates have access to the several free materials issued by CAIA (available on their website). In addition, CAIA recommend that candidates purchase the required textbook - Alternative Investments: CAIA Level I, 4rd edition, Wiley, 2020.

## Once accepted by CAIA, you need to decide your next step:

### Option 1: Study only using the CAIA material and the textbook

If you decide to study only using the CAIA material and the textbook, then the only fee payable by you will be the fee payable to the CAIA upon registration.

### Option 2: Make use of a Prep provider like Edge FIT

If you decide to make use of a prep provider (approved by CAIA) like Edge FIT, you will incur additional costs, those charged by the prep provider. Depending on the package that you select (detailed below) the following additional study options are provided to you by the prep provider:

- Face-to-face classes
- Online classes
- Detailed notes
- Summaries
- Practice questions + question banks
- Revision classes
- Practice exams

If you decide to join us at Edge for classes, there will be two fees.

Fee 1: This is the fee paid directly to CAIA. This is paid to enable the candidate to be a part of the CAIA® Program and to write the CAIA® exams. First time candidates have to pay an additional enrolment fee.

Fee 2: This is the fee paid to Edge. This fee is for face-to-face classes, online classes, revision classes, exam classes and ALL your study notes and summaries.

### What are the details of the exam?

	CAIA LI	CAIA LII

<b>Date</b>	<b>March 2020</b>	<b>Sept 2019</b>	<b>March 2019</b>	<b>March 2020</b>	<b>Sept 2019</b>	<b>March 2019</b>
<b>Pass rate</b>	54%	52%	54%	81%	64%	69%

### What is the stackable credentials program?

The stackable credentials program allows CFA charterholders to skip Level I and move straight to CAIA LII.

In order to be eligible for the program, applicants:

- Must have no existing CAIA exam history, (examples of exam history include those who have registered for or passed/failed the Level I or Level II exam)
- Must be a CFA charterholder, in good standing

### Is there a time limit on the course?

No, there is no limit to complete the program.

### Do you have to book / schedule an exam?

Yes, once you have registered for your exam, you'll receive an email with a link to schedule your exam appointment (or, you can select "schedule your exam" from the navigation bar above after you've registered). Please be sure to schedule your appointment as soon as you can as space may be limited in some locations.

### Where do you write the CAIA exam?

The CAIA exams are administered via computer exclusively at proctored Pearson VUE testing centers around the world.

### Can you postpone your exam to another exam window?

No, registration is exam-specific and not open-ended. If you are unable to sit for the exam for which you are currently registered, or if you do not pass, you will need to re-register to take the exam during a future exam window.

The fee for retaking an exam is US\$450, whether or not you sat for the exam the first time.

### Does CAIA offer other designations?

Yes, the CAIA Association also offers the following two designations:

- **Fundamentals of Alternative Investments.** A certificate program offering a foundation of core concepts in alternative investments.
- **Financial Data Processing (FDP) designation.** The Financial Data Professional Institute (FDPI) was established by the CAIA Association to address the growing need in finance for a workforce that has the skills to perform in a digitized world where an increasing number of decisions will be data and analytics driven. The FDP Credential is the first of its kind in the industry and reflects expertise in data science and its practical applications in finance.
