Taking your request into mind

We have had a number of students asking if they could register on a per Test basis.

*module dependant

***Please note that EBSdotCOZA tuition fees do not include UNISA fees. You must ensure that you pay your UNISA fees directly to UNISA before UNISA registration closes.**

EBSdotCOZA uses the Google online platform to present study material to online students. Through this interface, online help is provided for over 60 UNISA modules.

These courses are either recorded classes of the full or part time lectures for the current and past semesters or may be courses that have been recorded within our inhouse studio. Students will require data to access the online offering. The course will reference the current UNISA study material.

Note:

- Fees must be settled in full due to the nature of the course.
- Under no circumstances whatsoever will fees be refunded.
