Hybrid Learning

Our team of facilitators brings together over 100 years of combined lecturing experience, having taught some of the highest-achieving graduates at leading universities for more than 25 years. We understand that every student is unique, with different time constraints and learning styles. We recognize that applying concepts effectively and mastering exam techniques can be the difference between passing and failing.

In response to student feedback and requests, the EBSdotCOZA - Edge team is excited to introduce our enhanced hybrid learning model. By integrating our proven methods with new approaches, we are ensuring students receive an even greater advantage in their CTA studies. Our updated offerings are designed to provide comprehensive understanding and tailored support to meet the diverse needs of each student.
