Mobicred

- Mobicred pricing subject to MOBICRED terms and conditions.
- Instalments amounts may vary in accordance with an individuals credit record

*Please note that EBSdotCOZA tuition fees do not include UNISA fees. You must ensure that you pay your UNISA fees directly to UNISA before UNISA registration closes.

EBSdotCOZA uses the Google online platform to present study material to online students. Through this interface, online help is provided for over 60 UNISA modules.

These courses are either recorded classes of the full or part time lectures for the current and past semesters or may be courses that have been recorded within our inhouse studio. Students will require data to access the online offering. The course will reference the current UNISA study material.

Note:

- Fees may be settled in full or on terms
- Payment on terms carries a 5% or 10% administration fee calculated on the sum of the tuition fees.
- The 5% administration fee is applicable where payment is made in 2 instalments, the first instalment on registration and the remainder payable by May 2022.
- The 10% administration fee is applicable where payment is made in 6 instalments, may only be selected as an alternative where a student has registered for the year (not a semester) and the instalment period is May to September 2022.
- There will be no extension of payment instalments, students registering after instalment dates have commenced will have recalculated fees over remaining terms/months allocated to specific payment plans.
- There will be an administration of R300 fee levied on declined/bounced Payfast collections for which the student will be liable and must be settled along with the amount in arrears before access is granted again to the google classroom.
