EBSdotCOZA uses the Google online university platform to present study material to online students. Through this interface, online help is provided for over 60 UNISA modules.

These courses are either recorded classes of the full or part time lectures for the current and past semesters or may be courses that have been recorded within our in-house studio. Students will require data to access the online offering. The course will reference the current UNISA study material.

Note:

- Fees may be settled in full or on terms.
- Payment on terms carries a 5% or 10% administration fee calculated on the sum of the tuition fees.
- There will be no extension of payment instalments, students registering after instalment dates have commenced will have recalculated fees over remaining terms/months allocated to specific payment plans.
- There will be an administration of R300 fee levied on declined/bounced Payfast collections for which the student will be liable and must be settled along with the amount in arrears before access is granted again.
- The administration fee of 5% or 10% will be waived if the account is settled in full by 29 February 2024. (excludes Mobicred)
